I just talked to Marianne. She's got a good plan to talk to reporter: no comment on litigation and provide background to reporter on how we're focused on the advancing the 401. She'll inform the reporter of IPCs recent 401 application to address temp and the pending DEQs draft cert, etc.

Just tried to reach you. You may have heard by now that JB is the attorney and the SSC POCs are Hanh and Rochelle.

Also, who is our attorney on this matter?

Marianne

Our Environment Desk has asked me to do a story this morning on a suit filed yesterday, Idaho Power Co. v. EPA, for which I'd appreciate having someone in your office ground me on the issue at hand.

Here's the complaint along with an attachment at the end, a letter from Chris Hladick to Id. Gov. Otter dated in April.

I've got to file no later than 1 p.m., which means I'd need to speak with someone asap this morning.

Thanks very much Marianne and hope you're well.
